TOKYO

Where success is measured by quality

Come to Tokyo and discover a unique mixture of modern and traditional. An ever-evolving metropolis, Tokyo is home to a culture that exerts worldwide influence and offers an ideal global business hub in Asia for numerous world-renowned companies.

ISHIKAWA

Ishikawa resonates deeply with a history and culture passed down from generation to generation

Ishikawa is surrounded by ocean on three sides with four richly distinct seasons. The area communicates the culture of long ago while boasting a wealth of natural expression. The prefectural center of Kanazawa offers streetscapes full of flavor throughout the city. Ishikawa has earned popularity renowned in Japan as a city where anyone can come in contact with the cultural tradition alive in the lifestyles of today.

INSPIRATION

Tokyo and its alliance cities, with their distinct charms, offer opportunities for outstanding experiences. Our partnerships will bring you the opportunity to make your event a truly unforgettable occasion.

Ishikawa, located alongside the Japan Sea, is a region with a climate and history distinctly converse to Tokyo, which is nestled by the Pacific Ocean. Everyone can come in contact with the traditional culture of Japan said to have originated here.

REASONS TO CHOOSE TOKYO×ISHIKAWA

Connecting Japan to the World

Japan connects to approximately 130 cities worldwide through the Narita and Haneda international airports. Meticulously run airlines and railway networks offer stress-free access to all parts of Japan from Tokyo.

Flexible Accommodations and Banquets

Tokyo has a proven track record with a berth of high quality hotels as well as small to massive convention facilities to fulfill every need. Large hotels are also available for both accommodations and banquets.

City of Cultural Phenomena

Tokyo thrives with cultural phenomena both in cutting-edge technology and pop culture. The city continues to evolve each day to leave a new and unique mark on each and every visit.

Shopping you've dreamed about

Flagship stores and commercial complexes line the Tokyo streets with various new, old, and unique retailers that offer everyone wide variety of both affordable and luxurious items.

Experience the contrasts between two unique cities on one trip

Our programs also provide extensive opportunities for stimulating networking and bonding with other tour participants.

Offers Great Accessibility, Situated Almost at the Center of Japan

You can reach the prefectural capital Kanazawa by Hokuriku Shinkansen from Tokyo in approximately two and a half hours. The airports in Ishikawa are only an hour flight from Tokyo.

A Traditional Dining Culture Nurtured by a Rich Climate

Ishikawa is a treasure trove of foods. The area is bestowed with a variety of foods from both land and sea. Traditional "Kaga cuisine" is imbued with an aesthetic sense and soul of hospitality honed by the traditions of the tea ceremony.

Natural Surroundings Awash with Seasonal Splendors

The prefecture is blessed with a rich natural environment. Attractions include Mt. Hakusan, regarded as one of Japan's three most holy mountains; the Kaga District, with hot springs whose origins go back 1,300 years; and the Noto Peninsula, where one can experience archetypal Japanese settings.

Still-Vibrant Traditional Culture

Townscapes dating to the times when samurai walked the streets still remain today. Various traditional arts, such as Wajima lacquerware and Kutani porcelain, as well as such traditional performing arts as the colorful dance of geisha have been handed down to contemporary practitioners.

International Access

Superb Access from Many Asian Cities Numerous Direct Flights from All over the World

Tokyo has two international airports, Narita and Haneda, connecting various areas with flights operated by the world's major airlines. The access to the world is improved dramatically and direct flights continue to increase year by year. Ishikawa Prefecture's main air transportation hub is Komatsu Airport. It offers direct flights to Taipei, Shanghai, and Seoul. There are also frequent domestic flights to and from Haneda Airport, and Narita is also well-served.

Domestic Access

ISHIKAWA

TOKYO

Approximately One Hour Flight from Tokyo Comfortable Access via Land with the Hokuriku Shinkansen

Ishikawa Prefecture faces the Japan Sea. It is situated roughly in the middle of Japan's main island of Honshu. The region is renowned for its beautiful natural setting reflective of the changing seasons, and for a unique culture cultivated over a long history. Komatsu Airport is located near Kanazawa City. From there, visitors can get to Narita and Haneda in about one hour. Flights to and from Haneda are also made via Noto Satoyama Airport, located in Wajima City of the Noto Peninsula. The Hokuriku Shinkansen, which began service in 2015, offers short travel times via land. You can travel the Tokyo-Kanazawa route in approximately two and a half hours. The itinerary provides the comfort of a Shinkansen trip as participants enjoy the two distinctive areas of Tokyo and Ishikawa.

Tokyo ↔ Ishikawa

✈ Flight Information

🚄 JR SHINKANSEN (Bullet Train)
